CT Clamps:

Conventional Current Transformer (solid core). Use cases < 100 Amps. EUR 25-35 per coil (1 coil per phase needed)

Rogowski:

More flexible, scalable and easier to install. Use cases > 100 Amps. EUR 70-100 per coil (1 coil per phase needed).

NOTES:

Fuse balancing - Max 15-20 separate circuits can 'fuse balance' with each other.
